# **OUR FOUNDER'S PERCEPTION**

Sidhwan Khurd, a small village in Ludhiana district situated at a distance of 30 kilometers from Ludhiana on Ludhiana - Ferozepur Road, is widely acclaimed as a Centre of Women Education in rural India. The Sidhwan Group of Institutions, located in Sidhwan Khurd village near Ludhiana, Punjab, has a rich history rooted in the early 20th century. In 1909, Bhai Narain Singh, a farmer from Sidhwan Khurd, initiated the education of girls by teaching four students under a mulberry tree in his courtyard. This was a pioneering effort in a time when educating girls was not customary in undivided Punjab. The first four students were Bibi Hariprakash Kaur, Bibi Bhan Kaur, Bibi Sodh Kaur, and Bibi Bhag Kaur. Bhai Narain Singh dedicated his 20 bighas of land to this cause, naming it after the school. In 1934, the middle school evolved into the Sikh Girls High School, and Bhai Narain Singh established the Sri Guru Hargobind Ujagar Hari Trust, transferring all his land and property to its name. This humble beginning laid the foundation for what would become a significant educational legacy in the region. The institutions are managed by the Sri Guru Hargobind Ujagar Hari Trust, established by Bhai Narain Singh.

The genesis of this Educational Complex lies in a girls primary school established by Bhai Sahib Bhai Narain Singh Ji and Smt. Ram Kaur Ji for girls of all castes and religions, in the cherished memory of their son Kaka Ujagar Singh. The son of Bhai Sahib Bhai Narain Singh Ji was snatched away at the age of nine, from the parents by the cruel hands of fate in 1908. It was during these days of grief, Bhai Sahib thought of educating his daughter Bibi Harparkash Kaur. But there was no provision of education for girls in this area in those days. It was this thought that sowed the seed of education in the soil of this small village on May 9, 1909. A primary school that was started in 1909 with four girl students under a shed soon blossomed into the cluster of five flourishing institutions providing education to more than five thousand students.

The primary school was raised to High School in 1934. Before breathing his last Bhai Sahib created a trust named Sri Guru Hargobind Ujagar Hari Trust and dedicated his entire property to the sacred cause of female education. He was the first President of the Trust. After his death on 19th August, 1944, Mata Ram Kaur became the Second President. She breathed her last on 19th August 1950 and Bibi Harparkash Kaur, illustrious daughter of her parents became the Third President of the Trust. Devoted, as she was to the cause of Women Education, the institution covered many milestones under her patronage. In 1950 a Degree College and in 1955 a Basic Training College came into existence. She was honoured with Padma Shri by President of India in 1961 for her contributions.

She was steering the institutions ahead with missionary zeal and dedication when the call came from heavens and she left for her eternal abode on 5th August 1965. In her sacred memory the basic training College was renamed as GHG Harparkash College of Education for Women in 1966.

S. Mohinder Singh Sidhwan took over as President of Trust after the departure of Padma Shri Bibi Harparkash Kaur. Under his visionary, intelligent and dedicated leadership, the institutions thrived with a great speed. In 1969, M.Ed classes were started in the College of Education. Under his stewardship, there was quantitative expansion as well as qualitative improvement in the institutions. He left for his heavenly abode on 9th June 1976.

Realizing the need of the hour, under the stewardship of then President S. Jagdev Singh Sidhwan (IFS Retd.) Guru Hargobind Public School was started in 1977 to provide quality co-educational, English medium education to the children of the surrounding area. Later in 2006, the efforts of then President S. Dalbara Singh and Secretary S. Kirpal Singh Bhathal resulted in the commissioning of GHG Institute of Law.

Now under the guidance of honourable Trustees, The GHG institute of Pharmacy is established from the academic year 2025-26.

Currently, The Sidhwan Group of Institutions is managed by trust of seven members. S. Kirpal Singh Bhathal, C.E Retd (President), S. Pritam Singh Johal, ADC Retd. (Secretary), Dr. Gurinder Singh Grewal (Manager), S. Harmail Singh Sidhu (Member), S. Birindar Singh Sidhu, IPS Retd. (Member), S. Devinder Singh (Member) and S. Jarnail Singh Dhillon (Member) who are the dedicated visionaries.

# **FROM THE PRESIDENT'S DESK**

Dear Prospective Students,

The Sidhwan Group of Institutions emerged as a lighthouse spreading beacons of hope and enlightenment a century ago, at a time when girl education was a taboo in rural areas. When very few realised that Educating a man educated just one person, but educating a lady educated the entire family.

This Educational group claims with pride, that some of the most cultured, accomplished and progressive ladies, both nationally and abroad are alumni of our institutions!

Now-a-days, with a myriad educational institutions having mushroomed in the country, providing you with multiple options, the question is, what sets us apart from others in this field? Is it our century old value system of traditions and culture? Is it our effortless blend of these time honoured virtues meshed into modern ways of education and living? Is it the strict discipline and a 'no compromise' approach we adopt towards any aberrant conduct on our Campuses or Hostels ensuring safety of our students? Or is it the utter dedication and loyalty of our long-standing Management, Principals and carefully selected staff that ensures outstanding results?!

Perhaps, all of above contribute to the issue; but what really sets us apart is our 'philosophy' behind running these institutions. While others are 'in the business of education' for 'business'; we, as a genuine Non-Profit Charity Trust (with no individual beneficiaries) are in the 'businesses of education' solely for imparting 'education', with no profit motive.

The GHG Institute of Pharmacy is a premier institution offering course in pharmacy with an outstanding Principal and faculty, housed in an enviable idyllic campus with all modern amenities. I have no hesitation in providing an assurance that the students who choose further education/grooming in this institute shall always cherish, not only their years spent in this institute imbibing education, but also the attitudinal enhancement which came with it.

Waheguru bless you all!!
